## WORK EXPERIENCE

### Partner & Co-Founder

**SO Partners Tekstil A.Ş.** - Istanbul, Turkey

- So - Partners was founded in 2013, as a textile purchasing agent. Prior to 2013, we were a producer and exporter of denim and woven textile since 1987. During the years of production, our customers were mainly located in England, Germany and Holland.
- As we have been active in the Turkish textile industry since more than 30 years, we can confidently say that we are specialists in the textile purchasing process from the beginning to the end. Starting from the production process, over quality control at each step, up to the shipping of the goods, our team overlooks the entire process with great detail.

### Partner & Co-Founder

**Property Solutions Turkey** - Istanbul, Turkey

- Property Solutions Turkey is a leading real estate consultancy and investment company headquartered in Istanbul Turkey. We offer across-the-border consulting services to family businesses, banks, investment companies and individual investors worldwide.
- Our team has been active in the real estate sector for over 30 years. Our experience in the real estate industry and our investment history allows us to understand the expectations of international investors and truly offer customised solutions.
- We provide strategic and personalised guidance to understand the needs of our customers. We offer the best options available in line with your investment expectations.

### Managing Partner & Co-Founder

**VURAL Consulting** - Istanbul, Turkey

We categorise our business into two core areas, namely Investment Opportunities and Business Development.

We offer a portfolio of distinct investments in Turkey, Europe and the US:

- Carefully selected Residence Projects, Hotels, Luxury Homes and Land Investments according to our investors' expectations.
- Citizenship by Investment in European countries and Turkey. We advise our clients in finding the right investment and help to enter either the different Golden Visa programmes or the Citizenship by Investment programme in Turkey.

With regards to Business Development, we offer the following services:

- Textile Production for clients who are looking for an A-Z service for all kinds of clothing production, including fabric sourcing, quality control, price sourcing in Turkey.
- Metal Trading for companies looking for scrap metal suppliers - mainly aluminum, copper and steel.
- Business in Post-Soviet States for businesses who want to enter a new vast market with great new opportunities.
- Consulting Turkish clients on Government Incentives for activities abroad, which include receiving up to 50% of their company expenditures back from the Turkish Government in the scope of "Turquality".
